SHOULDER SURGERY. THE EXPERTS QUESTION THEMSELVES

CHIRURGIA DI SPALLA.
GLI ESPERTI SI INTERROGANO

Special V edition

Aula Organi Collegiali - Aula Multimediale

Palazzo del Rettorato
Sapienza Università di Roma
Piazzale Aldo Moro 5 – Roma

Presidents:
Stefano Gumina
Ciro Villani

Programma redatto sotto l'egida della SICSeG

WELCOME FROM THE PRESIDENTS

The format of the fifth edition of the course “Shoulder surgery. The experts question themselves” is unusual for the international conference scene. The invited speakers have chosen the topic of their own presentation since it represents a milestone of their scientific production. Each speaker will have 8 minutes available. The moderators who will alternate during each presentation will also have 12 minutes to ask questions to the speakers and possibly to involve the audience.

To recall the spirit of our ancestors, 2 tribunes have been included in the program. These represent a congressional novelty. The tribune will ask a series of questions to two senators on a specific topic based on what has been published in the current year. A further tribune will see as protagonist a young surgeon who will ask the senators “how to become an expert in shoulder surgery”. Three Lectures were also included in the program.

The conference will be enriched by a musical representation, a guided walk in the “Rome by night” and an oral presentation on the artistic image of the shoulder.

We hope many of you will come; do not miss the opportunity to enjoy these two high-level scientific days and to experience the Roman Christmas atmosphere with us.

GENERAL INFORMATION

Meeting venue

Aula Organi Collegiali - Aula Multimediale
Palazzo del Rettorato
Sapienza Università di Roma
Piazzale Aldo Moro 5 – Roma

Registration fees*

All fees are requested in Euros. It's possible to register individually by visiting the website www.scientificorganizingervice.com in the proper section following the instructions

- 100,00€ NON SICSeG member
- 70,00€ SICSeG member & NON Medical Doctor
- 30,00€ Students

* VAT 22% included

The registration fee includes an unlimited access to all scientific sessions, a full set of congress material and coffee breaks.

Payment ways

- Bank transfert to:
SOS srl, Banca Passadore & C., Via E. Vernazza 27, Genova
Iban: IT74A0333201400000000945333
SWIFT/BIC Code: PASBITGG
Please indicate: "Shoulder surgery, Roma 13-14 dicembre 2019",
+ name and surname
- Online in the website www.scientificorganizingervice.com
in the section "ISCRIZIONE CONGRESSI" following the instructions

Secretariat and Registration Desks

On site registration desks are at the disposal of participants as follow:
Friday, December 13 – 09.30/19.00
Saturday, December 14 – 07.30/13.30

SCIENTIFIC INFORMATION

ITALIAN MINISTRY OF HEALTH – CME CREDITS

The accreditation has been asked for entirely meeting. To obtain Italian credits the delegates must attend in the 90% of the time sessions. At the moment of registration each participant will receive the evaluation form and learning questionnaire of the scientific sessions. To obtain credits, participants have to return the evaluation form and questionnaire duly filled into the secretariat desk. The anagraphical data must compulsorily be indicated since required by the Italian Ministry of Health. N. **9** assigned CME Credits.

FIGURE PROFESSIONALI ACCREDITATE IN ITALIA

- Medico chirurgo nelle discipline di: anatomia patologica, chirurgia generale, ortopedia e traumatologia, radiodiagnostica
- Tecnico sanitario di radiologia medica
- Tecnico ortopedico
- Fisioterapista

CERTIFICATE OF ATTENDANCE

Attendance certificates will be issued on request to all regularly registered participants at the Secretariat Desk at the end of the meeting.

PROGRAMME

Friday, December 13th, 2019

09.00 SICSeG Young Forum
Shoulder Model Lab & Lectures

12:30 Welcome from the Authorities

SESSION 1 - Rotator cuff

12.50 Introduction: C. Villani

Lecture: "Rotator cuff tear margins: histological and immunohistochemical observations"

C. Della Rocca

13.00 Moderators: A. Castagna, F. Castoldi

Update on rotator cuff tear etiopathogenesis

S. Gumina

13.20 Moderators: R. Garofalo, M. Borroni

Why do we still use suture anchors? Lessons learned after 10 consecutive years of arthroscopic anchorless rotator cuff repair

S. "Butch" Krishnan

13.40 Moderators: A. Ekelund, G. Merolla

Treatment of massive and irreparable RC tears

G. Milano

14.00 Moderators: R. Castricini, J. Agneskirchner

Irreparable antero-superior rotator cuff tear: The role of the transfers

P. Paladini

14.20 Moderators: G. Sforza, E. Gervasi

Failed Rotator Cuff repairs-options in 2019

A. Mazzocca

14.40 **Tribune: current Literature (2019) on rotator cuff**

Tribuno: M. Borroni

Senators: G. Porcellini, F. Castoldi

15.00 Coffee Break

SESSION 2 - Humeral Head Fractures

15.30 Moderators: S. Carbone, O. Levy

Pathomorphological classification

H. Resch

15.50 Moderators: P. Paladini, P. Moroder

The long time results of osteosynthesis with augmentation for complex fractures

R. Russo

16:10 Moderators: A. Mazzocca, A. De Carli

Alternative weird treatment

D. Blonna

16.30 Moderators: R. Castricini, E. Taverna

Cementless reverse shoulder arthroplasty for fracture

R. Garofalo

16:50 **Tribune: current Literature (2019) on humeral head fracture**

Tribuno: G. Porcellini

Senators: H. Resch, S. "Butch" Krishnan

SESSION 3 - Shoulder Instability

17.10 Moderators: A. Castagna, R. Garofalo

The right treatment for the right patient in shoulder instability

G. Di Giacomo

17.30 Moderators: F. Campi, G. Di Giacomo

Bone Block Procedure for anterior shoulder instability

E. Taverna

17.50 Moderators: A. Ekelund, C. Tudisco

The ABC of posterior shoulder instability

P. Moroder

18.10 Moderators: R. Russo, C. Chillemi

Failure of surgery. Causes and treatments

P. Paladini

18.30 **Adjourn**

19.00 Musical Concert

PROGRAMME

Saturday, December 14th, 2019

SESSION 4 - Miscellaneous

- 08.15 Moderators: E. Gervasi, S. "Butch" Krishnan
Dinamic scapula stabilization using the pect major muscle
H. Resch
- 08.35 Moderators: J. Agneskirchner, P. Moroder
Outcome after correction osteotomy of the scapular neck in young patients with posterior subluxation of the humeral head
H. Resch
- 08.55 Moderators: O. Levy, P. Paladini
The Acromioclavicular Joint: 18 Years of Anatomical, Biomechanical and Clinical research. What we have Learned Together!!
A. Mazzocca
- 09.15 Moderators: G. Sforza, M. Borroni
Update on adhesive capsulitis
S. Carbone
- 09.35 Introduction: *F. Allegra*
- 09.40 **Lecture:** Cost effectiveness in shoulder surgery
A. Castagna
- 09.50 **Lecture:** Advances in shoulder girdle reconstruction in tumor surgery
P. Ruggieri
- 10.00 **Coffee Break**

SESSION 5 - Shoulder Arthroplasty

- 10.20 Moderators: F. Castoldi, A. Castagna
Design concept and long term results of methaphiseal reverse shoulder arthroplasty
O. Levy

- 10.40 Moderators: E. Gervasi, G. Milano
3D planning and patient specific instruments in reverse primary and revision replacement: experience and mid term results
F. Castoldi
- 11.00 Moderators: E. Taverna, R. Garofalo
Severe glenoid bone defects and experiences with bone grafting and custom made implants
J. Agneskirchner
- 11.20 Moderators: P. Paladini, R. Russo
Management of instability after reverse arthroplasty
A. Ekelund
- 11.40 Moderators: A. Grasso, R. Castricini
Revision surgery in shoulder arthroplasty
G. Porcellini
- 12.00 Moderators: O. Levy, D. Blonna
Periprosthetic infection after shoulder arthroplasty
A. Ekelund
- 12.20 Moderators: S. Gumina, G. Di Giacomo
Anatomic reverse total shoulder arthroplasty: the emerging standard of care in 2019 and beyond
S. "Butch" Krishnan
- 12.40 **Tribune: "How will I become an expert?"**
Tribuno: V. Candela
Senators: S. Gumina, S. "Butch" Krishnan
- 13.00 **SEE YOU NEXT YEAR!**
